6 Medical Battalion Group

7 Medical Battalion Group

8 Medical Battalion Group

service.

8 Medical Battalion Group is a regular unit established in 2001 to provide support to the SA Army's 43 and 46 SA Brigades. The unit is still in the process of being established and its first deployment was to Exercise Seboka in 2005 in support of 46 SA Bde. Seboka 2006 was its second deployment. The unit strives to render a comprehensive military health
